

Business is going from strength to strength at Motorhomes & Caravans Ltd

Since moving to their new three-acre premises in Hull, they have greatly expanded their range of vehicles and employed more staff to cope with demand. They stock a vast range of new and used vehicles, offering great finance, 0% deposits and excellent part-exchange prices. Their range of hire vehicles is the largest in the county.

They are main dealers of British-built Elddis caravans and motorhomes, stunning hand-built German Hobby motorhomes and the UK's main importer for Rimor, with prices from only £32,000.

At Motorhomes & Caravans Ltd., they believe Rimor provide the best standard motorhome warranty in the UK - ten years' cover on body, five years on cab and five years on appliances.
